

Womens Camo Workout

Performance Capris

Rothco's Camo Workout Performance Capris are ideal for working out or just lounging around. The performance fabric wicks away moisture from the body to keep you cool and dry during any activity. A hidden waistband pocket makes it easy to store important items during a workout, like a house key or a credit card. The lightweight poly/spandex construction allows for a full range of motion, ideal for stretching. Rothco's workout camo leggings are a perfect match to our performance tank top.
