5198 OPEN-TOP CONCEALMENT PADDLE & BELT LOOP COMBO

5196/5199 OPEN-TOP CONCEALMENT BELT SLIDE & BELT CLIP

The Safariland® 5198/5196/5199 concealment holsters are made for competition, but fully suited to daily concealed carry as they are compact and lightweight. Low-cut sides allow for a smooth, consistent draw and provide added comfort to the wearer. The trigger guard detent and adjustable tension device secure the weapon in the holster during rigorous activity, while the durable thermoformed SafariLaminate™ construction helps resist scratches. The 5198 features an injection-molded paddle, offering a comfortable, close-to-the-body fit, and allows for easy placement and removal from the waist.

The 5198 comes with both paddle and belt loop attachment to adjust holster carry to match desired comfort and carry preference. IDPA and USPSA approved. The 5196 comes with a belt slide and the 5199 features a belt clip.

Model 5196: Belt Slide

Model 5199: Belt Clip
