## "YOU ASHED, HE DELIVERED."

A lighter, smaller version of our Mobile Arsenal backpack that can still fit 300 rounds of ammo, earmuffs, & have individual cases for 3 handguns? You got it.

Accessories shown not included.

The new & lighter cushioned handgun sleeve is still large enough to fit up to 6" revolver. Its low profile design still protects & makes it more portable than ever.

Firearms & accessories shown not included.
