

Our mag pouches are designed to hold extended magazines for most pistols. The side release buckles and edge to edge elastic band keeps the magazines from falling out.

Magazines shown not included.

EXTENDED MAG POUCH

*Hook & loop straps on the cover allows you to adjust length based on magazine size. Use the mag pouch in an open top configuration by **removing the cover all together.***

Accessories shown not included.

ADJUSTABLE COVER STRAP

MOLLE COMPATIBLE

Attach the magazine pouch to any MOLLE webbing with the supplied MOLLE compatible straps. The pouch can also be easily attached to a belt.

Accessories shown not included.

 **SAVIOR**
EQUIPMENT

KEEP IT CLEAN

The cinch strap includes an *integrated hook & loop system* to **tie down loose straps**. Additional **drainage grommets** are added to manage any dirt in the pouch.

Accessories shown not included.
