STANDARD MAG POUCH

Our mag pouches are designed to hold standard capacity magazines **for most pistols**. With its **standardized sizing**, you will have no problems fitting your pistol mags.

Magazines shown not included.

SAVIOR EQUIPMENT

Designed for a variety of mags, this pouch easily
fits single-stack mags & even spacious enough to
hold *double-stack mags* without a hitch.

Magazines shown not included.

FITS LIKE A GLOVE

Attach the magazine pouch to any loop panel with the **sewn-on hook fastener panel**. The pouch can also be easily attached to a belt with the **built-in belt loop**.

Accessories shown not included.

HOOK+LOOP COMPATIBLE

SAVIOR EQUIPMENT

COVER IT ALL UP

Whether you're running, jumping, or even flying, the **hook & loop cover straps** ensure your mags are **not leaving your side**.

Magazines shown not included.
