

You have a scope, bipod, AND spacers? **No problem.** Our bag is designed to **fit nearly any takedown rifle** you can throw in it, **along with the attachments.**

Firearm & accessories shown not included.

**「URBAN TAKEDOWN」**

Simply slide your barrel & stock into the **padded pockets** with its **horizontal configuration**. Have no doubts about fitting your mags in the **elastic mag slots** lined at the base.

Firearm & accessories shown not included.

**ROOMY AND PRACTICAL**

If you have a permit, this hidden pocket is **ideal for CCW**.  
If not, it's also **great for storing keys, cards & IDs**.  
The **hook & loop** strap keeps the pocket closed when not in use.  
Firearm shown not included.

**CONCEALED POCKET**

# 「EVERYTHING YOU'LL NEED」

*Spacious enough to easily store ears & eyes, cleaning tools, and any other accessories to take with you. If necessary, secure the takedown compartment with the **lockable zipper sliders**.*

*Lock & accessories shown not included.*
