

We notice your complaints so we've created the standard size & large size to accomadate most firearm attachments.

No more removing attachments; no more re-zeroing in sights.

Firearm shown not included.

LEGITIMATELY SPACIOUS

LOCK DOWN PROTECTION

The hook & loop tie-down strap allows quick access, but still secures the firearm. Full 600D padded interior lining can easily withstand the wear of handguards and accessories.

Firearm shown not included.

With the double-stitched hook & loop MOLLE, attach all the accessories you need on your trip. There's plenty of space to throw on your favorite morale patches as well!

Firearm & accessories shown not included.

「ALL THE MOLLE YOU NEED」

A removable **adjustable buckle** added to the end of the scabbard gives you the freedom to protect firearms with **different barrel lengths and attachments.**

Hook & loop strap helps tie down any slack from the buckle.
