

ULTIMATE GUITAR CASE

The Ultimate Guitar Case is designed to **keep a low-profile**, while **providing plenty of space** for you to pack everything you need for a day at the range.

Firearm & accessories shown not included. **Does not come pre-cut.**

Design the perfect layout for your firearms. 3 foam inserts included for you to customize up to 2 different arrangements. Requires you to draw & cut the foam yourself.

Firearms & accessories shown not included. Does not come pre-cut.

CUSTOM CONFIGURATION

SAVIOR[®]
EQUIPMENT

*Stop attracting unwanted attention from people in areas that are more sensitive to guns. **Safely and securely** travel with your firearms with this discreet case.*

Firearm & locks shown not included.

STAY UNNOTICED

PLAYING IT SAFE

Our high-impact **polymer shell** combined with **open-cell foam inserts** & **convoluted foam top** help absorb collisions that are bound to come with carrying firearms from point A to point B.

Firearms & accessories shown not included. **Does not come pre-cut.**
