EQUIPMENT

 **SAVIOR**
EQUIPMENT

Space out the barrel & stock racks to **your desired height** before mounting. The stock rack extends out enough to **accomodate most mid-range sights**.

Firearms shown not included.

FITS MOST FIREARMS

RIGID STRUCTURE

*Two screw holes on each wall-mounting plate keep the rack sturdy & secure on your wall.
Mount on studs, do not mount only on drywall.*

Firearms shown not included.

EQUIPMENT

FRAME DURABILITY

Rubber-encased prongs prevent scratches to your firearms, while the powder-coated frame provides increased wear-resistance.

Firearms shown not included.

「SIMPLY DESIGNED」

We recommend **using a level** when installing your rack to make sure it is mounted properly.

Remember to **measure twice and drill once**.

A slanted rack will not function properly and is extremely dangerous.
