## TRIFLE UALL RACK,

Rated to hold **up to 150 lbs**, this wall-mounted **rifle rack** can easily rest **up to 6 firearms** and take your gun room to the next level.

Firearms shown not included.

Space out the barrel & stock racks to **your desired height** before mounting. The stock rack extends out enough to **accomodate most mid-range sights.** 

Firearms shown not included.

## SIMPLY DESIGNED,

We recommend **using a level** when installing your rack to make sure it is mounted properly. Remember to **measure twice and drill once**.

A slanted rack will not function properly and is extremely dangerous.
