

SHORTY RIFLE RACK

Made for those who welcome all shapes and sizes, our rack **not only fits up to 9 firearms**, but also has a **specialized frame, allowing you to fit shorter firearms.**

Firearms shown not included.

ALL-INCLUSIVE

Designed to fit an even wider range of firearms with its **height-adjustable stock and barrel supports**, this rack can hold any firearm with a **minimum 19 inch OAL**.

Firearms shown not included.

 **SAVIOR**[®]
EQUIPMENT

Spring-loaded latches make it a cinch to adjust and lock the stock & barrel supports. *Simply slide and hold the latch* to release the pin from the frame.

RIGID STRUCTURE

*Rubber-encased prongs throughout prevent scratches to your firearms, while the **powder-coated frame** provides **increased wear-resistance**.*

Firearms shown not included.

FRAME DURABILITY

INNOVATIVE DESIGN

Collapses flat** so you'll have more room for what really matters on range day. Setup is simple and **does not require additional tools.

Included pin lock keeps frame in collapsed position.
