

6 X 8 RIP AWAY POUCH

Made to be used as an individual first-aid kit or IFAK for short, this rip away pouch is a great alternative to carrying around a larger-sized first-aid kit. First-aid kit items shown not included.

CUSTOM CONFIGURATION

This pouch is **large & spacious** with tons of **pockets & elastic bands**, allowing you to configure the kit to your exact specifications. Also **opens flat** for easy access.

First-aid kit items shown not included.

Attach the base panel to any MOLLE webbing or belt with the integrated MOLLE compatible straps. Then easily remove the pouch from the base panel when needed.

Backpack shown not included.

MOLLE COMPATIBLE

Don't need an IFAK? This pouch can still fit all your daily necessities. Show us your everyday carry by tagging us on social media with #saviorequipment.

Accessories shown not included.
