

BaseClamp is the most advanced clamping system in the industry. BaseClamp premium SXS/UTV/ATV/motorcycle GoPro/camera mounts are designed with the goal of achieving the most flexible and low profile mounting solutions that even the most critical powersports enthusiasts will appreciate.

unique features. Performance and ergonomics were considered throughout every step of development. SXS/UTV/ATV/motorcycle GoPro/camera BaseClamp mounts feature the highest grade materials, high performance resin coating and stainless steel hardware BaseClamp is the most advanced accessory mounting system in the industry.

Through creative design and stringent testing we have developed a system with many

## How it Works:

Using the 2-piece modular BaseClamp system is as easy as...

- 1 Select the base that coincides with what you need to mount
- 2 Select the right size clamp for your diameter of tubing
- 3 Lock it in

The self locking clamp design allows for easy 1 person installation. Simply slip the clamp over your tube and lock in your base, secure using the stainless mounting hardware and you are ready to Mount Up and Move Out™!
