

Sloggers Quick Sizing Guide

Medium Width - True to size. Half sizes order up.

Example:

You're a size 7 = order a size 7

You're a size 7.5 = order a size 8, and use our "Half-Sizer" insoles.

Wide Width - Order up half size.

Example:

You're a size 8.5 = order a size 9

You're size 8 = order size 9, and use our "Half-Sizer" insoles.

**Narrow Width - True to size. Half sizes order up.
Use a "Half-Sizer" insole either way.**

Example:

You're a size 9 = order a size 9 and use a "Half-Sizer" insole.

You're a size 9.5 = order a size 10 and use a "Half-Sizer" insole.

Either way, we suggest you use a pair of socks to reduce slipping.

Men's Sizes - Order down half size.

Example:

You're a size 11.5 = order a size 11

You're a size 11 = order a size 11, and use a "Half-Sizer" insole.

Also, add a half size if you'll be wearing thick socks.

Boots are 10" tall with a leg circumference of 15"

Please note that in some cases you may notice a little slipping at the heel. This is normal and you won't notice it after a little while. Wearing a pair of thicker socks can help as well. We've sold over 1 million pair of these shoes, so we are very confident you will fall in love with them!
