# A HIGH QUALITY MODULAR SAFE THAT OFFERS THE SECURITY OF A WELDED SAFE.

Edward J. McGunn, a third generation safe builder, was frustrated by the cost and effort to move a safe to the second story of his home. What's worse, after all the work, the final location still wasn't ideal. He wondered, "There HAS to be a better way to move hundreds of pounds of steel from one place to another." That's when he thought of SnapSafe®, a modular safe that would come in pieces light enough to carry and then securely lock together – anywhere.

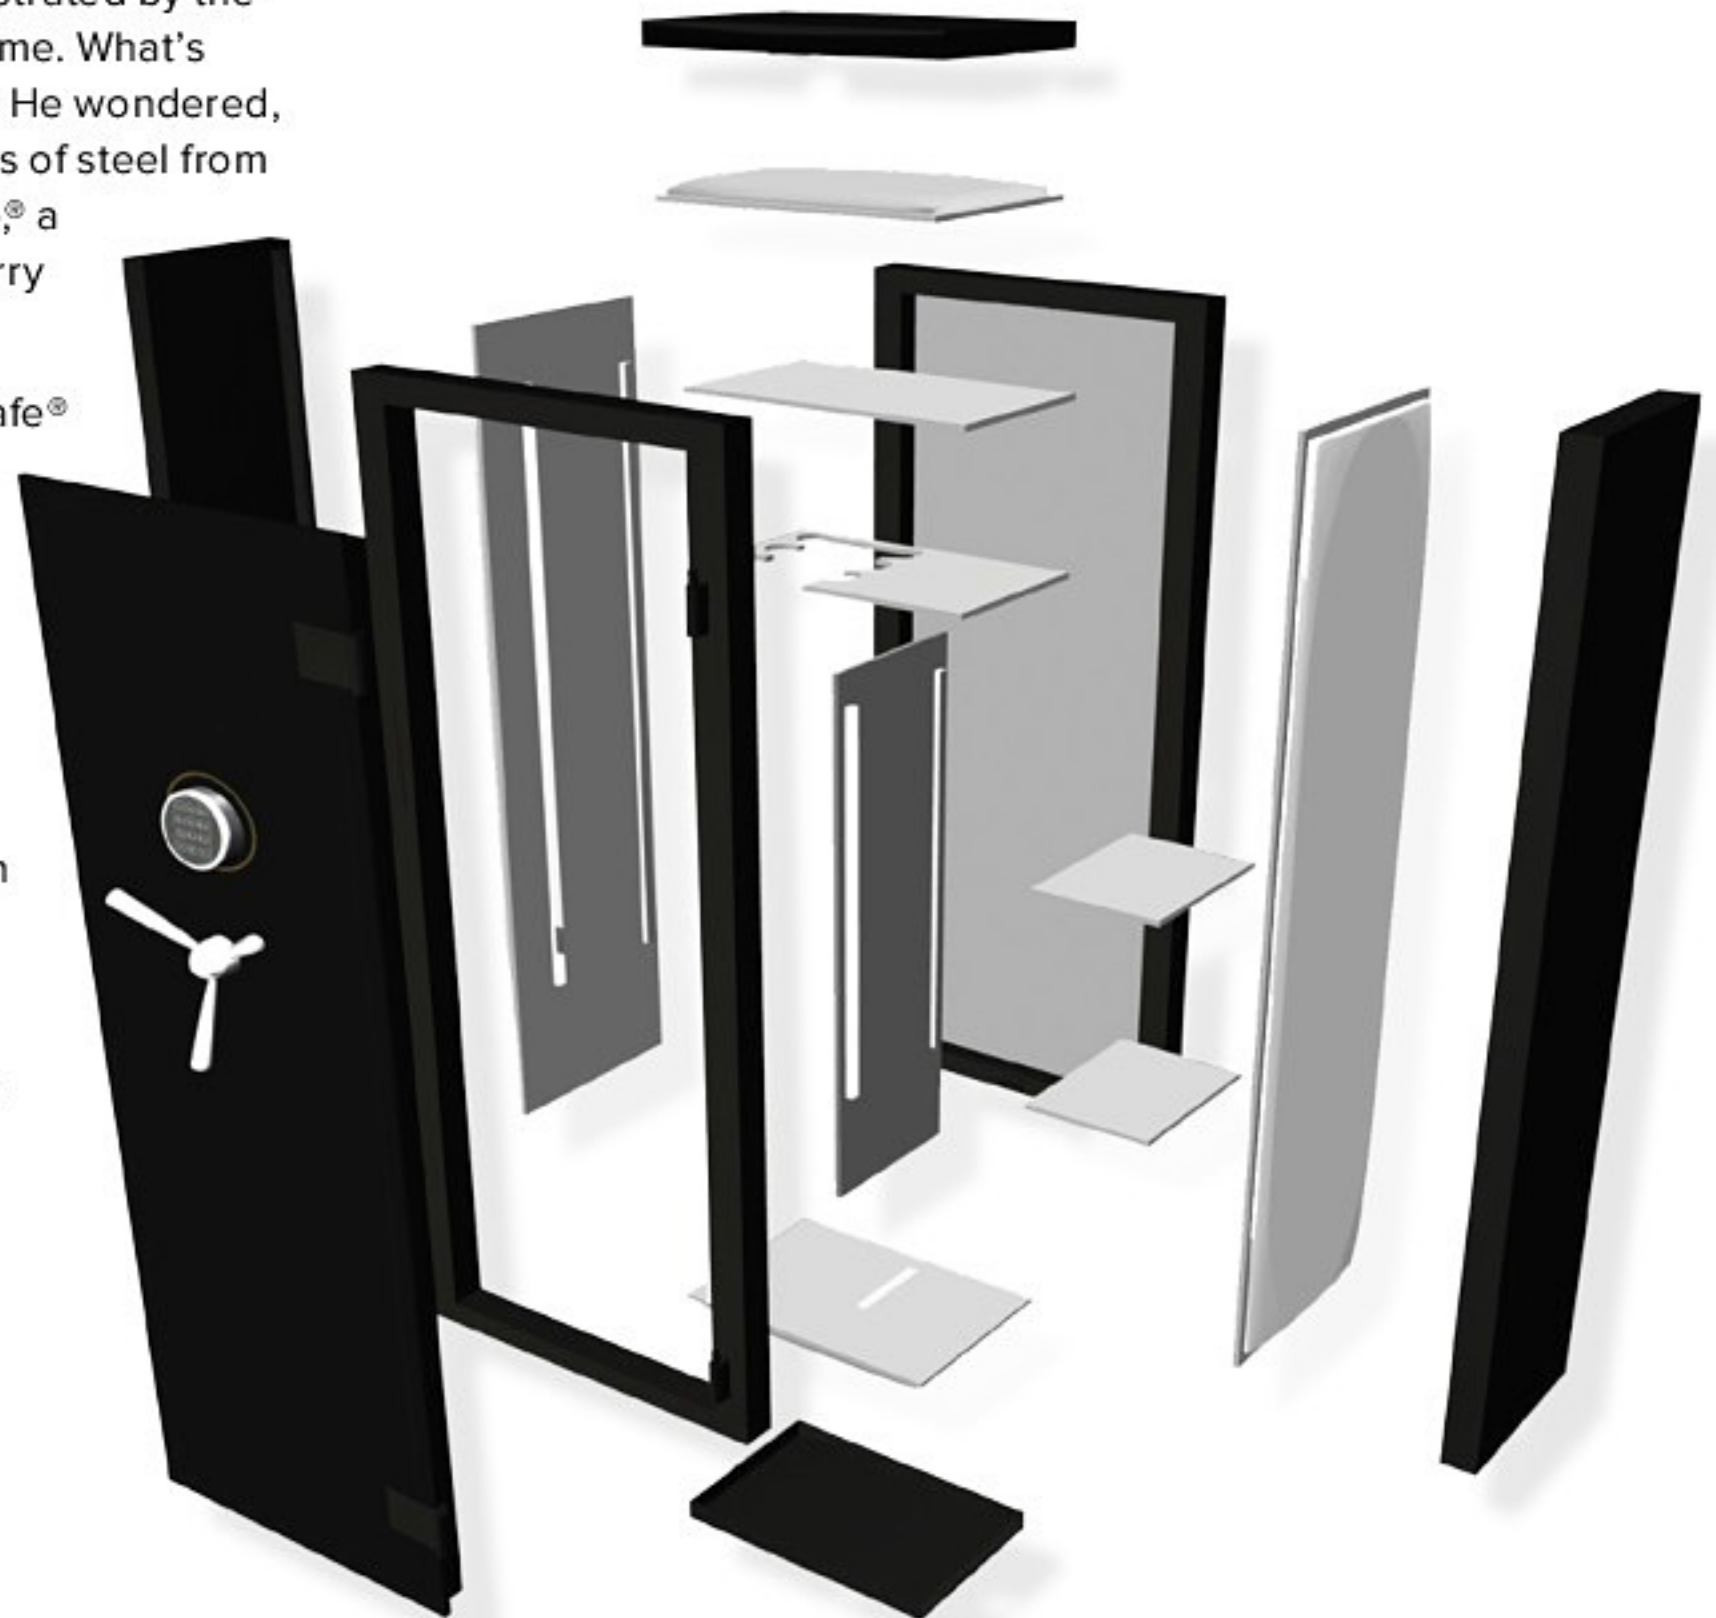

By reducing the cost, time and effort of installation, SnapSafe® makes owning a safe as easy as owning any other essential home or office appliance.

***Economical to ship.***

***Easy to move and assemble.***

SnapSafe® modular safes are as solid and impenetrable as conventional welded safes. Plus, their 2300° fire protection offers peace-of-mind knowing jewelry, currency, firearms and valuable documents are protected from fire and theft. Their modular design makes moving and assembly easy, eliminating the need for hired movers or installers. You can move the safe piece-by-piece to any room and assemble it yourself with the socket wrench that's included!

**Note:** Product appearance may change due to manufacturing upgrades.

# KEY FEATURES

- Modular Assembly System
- Delivered right to your door\*
- Assembles in minutes
- Sledgehammer and pry-bar resistant 7 gauge solid steel door
- Thick, 2-ply 9 gauge steel exterior walls
- 2300°F one-hour Fire Shield protection
- Heat activated door fire seals
- Internal panels are made of magnesium oxide (MgO) and are nearly impervious to fire, moisture, insects and mold
- Comes standard with UL security listed SecuRAM™ digital lock with EMP-proof mechanical key backup.
- Eight 1" steel live locking bolts
- Powder coated finish
- Lined interior
- Adjustable lined shelves
- Includes one full shelf, one full gun rack, two half shelves and a divided shelf
- Professional grade "non-breach seal" dead bolt door
- Pre-drilled for floor mounting
- Lifetime Warranty

\*Some exclusions apply.

***Economical to ship.  
Easy to move and assemble.***

Your SnapSafe® components are delivered right to your door. Simply unpack and move each piece to anywhere in your home or office and assemble in 30 minutes with the socket wrench that's included with each shipment. No need to hire movers or installers. It's an easy do-it-yourself project!

# A MODULAR SAFE THAT DELIVERS WELDED SAFE SECURITY.

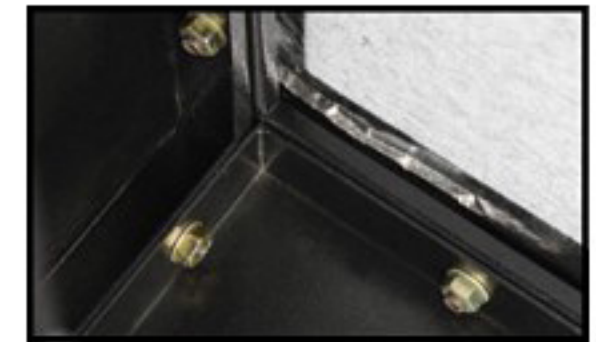

Offers all the security of a conventional welded safe, but is easy to assemble and move anywhere piece by piece. The SnapSafe® modular assembly system locks the walls together from the inside and only requires a socket wrench for assembly.

Eight live-locking bolts and a non-breach seal on the hinge side of the door provide professional grade protection not found in most residential safes. Once closed and locked, the vault cannot be disassembled from the outside.

A heavy steel deadbolt runs the entire length of the hinge side of the door. Once locked, the door cannot be removed, even if the hinges are cut off.

Your safe can be configured to fit a variety of needs. Each safe comes with one full shelf, one full gun rack, two half shelves and a divided shelf. Additional shelves can be purchased separately.

Modular system walls bolt together from the inside. *(Wrench Included)*

Eight 1" live locking bolts provide professional grade protection.

MgO interior panels and 2300° F ceramic insulation provide exceptional fire protection.

# THE SECURITY OF A WELDED SAFE

*Digital locks offer ease and dependability.*

SecuRAM™ Digital Lock

Key backup

SnapSafe® modular safes feature a UL listed digital lock for security and ease of use with a mechanical key backup for use in case of an electromagnetic pulse. EMPs, which can be natural or manmade, can disrupt electronics. The mechanical key will continue to function in such an emergency, allowing access to guns and valuables inside your safe.

Your SnapSafe® modular safe comes with a handy tool kit containing everything you'll need to assemble and configure your safe.

7"H x 42"W x 13"D  
**Weight:** 69 lbs  
**Item No. 75406**

## HYGROMETER

Ensure the best environment for guns, accessories and other valuables with the SnapSafe® Hygrometer. Placed inside a safe or vault room, the hygrometer displays the current temperature and humidity level, as well as recent extremes in either Fahrenheit or Celsius. Large LCD display shows icons indicating air conditions and fold-out stand allows convenient storage. Unit is powered by two AAA batteries (not included).

**Item No. 75909**

## SAFE ACCESSORY PACK

Get the most out of your safe by maximizing space and increasing functionality. The Safe Accessory Pack includes all our most popular accessories in one package. Magnetic hook, document basket and document bag keep your valuables safe and organized while the dehumidifier, LED light strip and hygrometer ensure a climate-controlled environment. Package includes:

- Rechargeable Dehumidifier (see right)
- Fire Resistant Document Bag (see right)
- Magnetic Hook (see pg. 13)

**Item No. 75850**

## CANISTER DEHUMIDIFIER

Protect firearms and other valuables against rust and corrosion by utilizing the SnapSafe® Canister Dehumidifier. Desiccant pellets turn pink when the canister needs recharging. Simply heat in an oven to recharge the unit. Unlimited recharges ensure a lifetime of use.

**5-inch diameter cylinder.**

**Item No. 75902**

Fire Resistant Document Bag

- Document Basket (see pg. 14)
- LED Light Strip (see pg. 13)
- Hygrometer (see above)

## RECHARGEABLE GUN SAFE DEHUMIDIFIERS

Absorb humidity and prevent rust or mildew in gun safes, closets, pantries and other enclosed areas. Moisture-control crystals change from orange to green, indicating when the unit needs recharging. Dry out and recharge the crystals by plugging into 110V electrical outlet until crystals turn orange again.

**Medium (6.625" x 4" x 1.25") . . . Item No. 75900**  
Effective in spaces up to 333 cubic feet.

**Large (7.5" x 5" x 1.75") . . . Item No. 75901**  
Effective in spaces up to 500 cubic feet.

## GUN SAFE DEHUMIDIFIER RODS

Eliminate moisture and prevent rust and corrosion with electric dehumidifier rods available in three sizes. Ideal for gun safes, closets and small enclosures, the rods come with snap-on feet that also allow wall mounting.

**12-inch** (7 watts, 100 cubic feet coverage)  
Item No. 75903

**18-inch** (10 watts, 200 cubic feet coverage)  
Item No. 75904

**24-inch** (12 watts, 300 cubic feet coverage)  
Item No. 75905

## MAGNETIC SAFE HOOK

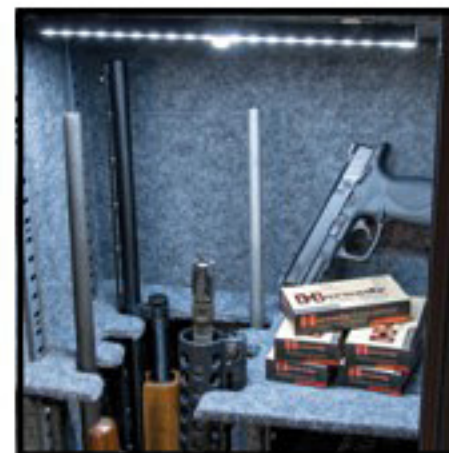

This little two-prong hook does big work, holding gun cases, binoculars, range bags and other accessories. Heavy-duty magnets can securely store over 15 pounds of gear. Position it on the corner of any gun safe and reposition as needed.

Item No. 75911

## LED LIGHTS

Ideal for gun safes, closets, cabinets, drawers and corridors, this light bar features long-lasting LED lights. With ON/OFF/AUTO modes, the light bar can be set to illuminate when motion is detected. Easy to install, these lights require AAA batteries (not included).

**13" 20 LED/White** (70 lumens) Item No. 76001  
**25" 30 LED/White** (110 lumens) Item No. 76002

## MAGNETIC HANDGUN HOLDER

Use this heavy-duty magnet to mount a handgun for display, or conceal

it on the side of a nightstand or desk. It's also useful for handgun storage in your gun safe. Comes with mounting screws. Rubber coating protects firearm and improves hold.

Item No. 75910

## DOOR ORGANIZER

The SnapSafe® Door Organizer is easy to install and offers a convenient way to maximize the most space in your safe. Universal design fits most safe doors. The organizer features PVC coating to protect your valuable firearms without scratching or damaging their surface.

Mounting your door organizer is easy. Simply drill holes and attach with included hardware to any safe that is 2½" or deeper.

- Universal design allows mounting to most safe doors.
- Includes six adjustable baskets that will accommodate handguns, magazines, permits, ammo, and more.
- Installs in just minutes.
- PVC coated steel won't scratch or damage handguns.

**Specs: 8.25"W x 48"H**

**Weight: 5 lbs**

**Item No. 75800**

## HANGING SHELF BASKETS

Ideal for gun safes, closets, and shelving, these coated wire baskets maximize storage for ammo and accessories. Simply slide onto ½" - 1" thick shelf. Holds up to 40 pounds.

**Medium Basket\***  
7"H x 6"W x 9"D  
Item No. 76010

**Large Basket\***  
7.5"H x 11.75"W x 9"D  
Item No. 76011

**Document Basket\***  
2.5"H x 12"W x 9"D  
Item No. 76012

**\*Note:** Do not exceed the 40 pound maximum capacity.

# HANDGUN HANGERS

Maximize space by hanging handguns from shelves in your safe. Convenient and durable, the hangers are made with a PVC coating that prevents marring or scratching inside the barrel of your guns. Available in a number of sizes or in a mixed-pack.

- Fits shelves that are 1/2" to 1" thick.
- Maximizes safe space by hanging guns below shelves.
- PVC coating prevents damage to gun barrels.

- Handgun Hangers Mixed Pack**  
*(Two of each size for a total of 6)* . . . **Item No. 75871**  
**22 caliber 4-Pack** . . . . . **Item No. 75872**  
**9mm/38 caliber 4-Pack** . . . . . **Item No. 75873**  
**44 caliber 4-Pack** . . . . . **Item No. 75874**

# GUN RACKS

Store guns in your safe or anywhere with these handy gun racks made in four different widths. The rack helps maximize storage space while offering a secure and balanced rack designed for compact pistols, full size handguns, revolvers, and semi-autos. Its PVC coating prevents scratches or marring. Store guns right side up or upside down, depending on your preference.

- 2 Gun Pistol Rack** . . . . **Item No. 75810**  
**4 Gun Pistol Rack** . . . . **Item No. 75820**  
**6 Gun Pistol Rack** . . . . **Item No. 75830**  
**8 Gun Pistol Rack** . . . . **Item No. 75840**

# HEADREST GUN RACK

Coated wire hooks secure to each headrest (driver and passenger seats) and hang behind seat to hold a long gun. Works great to hold range bags, clothing, or grocery bags as well. Includes two hooks.

**Item No. 75881**

**\*IMPORTANT:** Follow local, state and federal laws for firearm storage and transport. Firearm and firearm accessories shown are not included.

# LOCK BOXES

Protect your handguns, passports, sensitive documents, heirlooms, media cards and other valuable items in a durable and portable SnapSafe® Lock Box. Available in three sizes with either a key lock or an owner-set combination entry. Approved as a firearms safety device by the California Department of Justice and meets TSA airline firearm guidelines\*, SnapSafe® Lock Boxes feature heavy duty 16 gauge housing and include a 1500 lb. rated security cable for securing to immobile objects.

## KEYED ALIKE 2-PACK

The 2-Pack comes with four keys that are all keyed alike and two 1500 lb rated cables. The 16 gauge steel construction and high quality foam insert ensures that your firearms and valuables are secure.

- Large Keyed Alike Lock Box . . . . . Item No. 75201
- X-Large Keyed Alike Lock Box . . . . . Item No. 75211
- XX-Large Keyed Alike Lock Box . . . . . Item No. 75221

- A. Large Lock Box with combination lock (9.5" x 6.5" x 1.75") . . . Item No. 75230
- B. Large Lock Box with key lock (9.5" x 6.5" x 1.75") . . . . . Item No. 75200
- 2-Pack Keyed Alike Large Lock Boxes . . . . . Item No. 75201
- C. X-Large Lock Box with combination lock (10" x 7" x 2") . . . . . Item No. 75240
- D. X-Large Lock Box with key lock (10" x 7" x 2") . . . . . Item No. 75210
- 2-Pack Keyed Alike X-Large Lock Boxes . . . . . Item No. 75211
- E. XX-Large Lock Box with combination lock (11.5" x 8.5" x 2.5") . Item No. 75250
- F. XX-Large Lock Box with key lock (11.5" x 8.5" x 2.5") . . . . . Item No. 75220
- 2-Pack Keyed Alike XX-Large Lock Boxes . . . . . Item No. 75221

**\*IMPORTANT:** Do not store loaded firearms in any safe or lock box. Follow local, state and federal laws for firearm storage and transport. Check TSA regulations and airline policies before traveling with any portable safe. Check dimensions of your firearm against safe's internal dimensions noted on bottom of box. Firearm and firearm accessories not included.

# TREKLITE® LOCK BOX

- Heavy-duty protection at a third of the weight of steel — only 1.5 pounds!
- Ideal for storing valuables such as handguns, passports, jewelry, cash, and keys while traveling or at home.
- Easily fits in a drawer, suitcase, or under a car seat.
- Constructed of advanced, impact-resistant polycarbonate for exceptional toughness.
- Durable, non-slip rubber overmold provides stability and added protection.
- Foam lining protects valuables from damage.
- Available with a key lock or TSA combination lock.
- Includes a 1500 lb. rated security cable for added protection.
- Meets TSA requirements.\*

**X-Large Lock Box with keylock**  
(10" x 7" x 2")  
Weight: 1.6 lbs  
Item No. 75212

**X-Large Lock Box with TSA combination lock**  
(10" x 7" x 2")  
Weight: 1.6 lbs  
Item No. 75241

## Patented Security Cable

All SnapSafe® Lock Boxes come with a 1500 lb rated cable. You can purchase additional cables separately.

The patented, space-saving receiver/connector allows maximum interior storage space.

U.S. Des. Pat. No. D786,046

**Additional Security Cable . . . Item No. 75280**

 **TSA APPROVED**

The weight and strength of TrekLite® Lock Boxes make them the perfect travel companion.

## CABLE PADLOCKS

### 10 foot Cable Padlock **NEW!**

Secure firearms together inside cabinets or along display racks. Prevent firearms operation when properly secured through the receiver and/or magwell. Designed to fit most handguns, rifles and shotguns. PVC coated, hardened steel cable secures multiple firearms while protecting valuable gun finishes.

**10 foot Cable Padlock**  
Item No. 75282

### 2 foot Cable Padlocks (2-pack)

Designed to fit most handguns, rifles and shotguns, these cable padlocks prevent firearm operation when properly secured through the receiver and/or magwell. Both solid steel locks are keyed alike and come with protective PVC cable covers. Padlock 2-Pack comes with four keys.

**2-Pack**  
Item No. 75281

## TSA PADLOCKS

Protect belongings by using this all metal TSA-approved padlock with 4-digit combination and heavy-duty, thick shackle. TSA-approved locks allow TSA screeners to inspect luggage without damaging the locks. Plus, they're 10 times harder to crack than 3-digit locks.

**2-Pack**  
Item No. 76020

## FIND MORE SECURITY ITEMS FROM HORNADY SECURITY®

The patented touch-free RFID technology of RAPID® Safes from Hornady® pairs the quickest, most dependable access with unmatched security. For the safety and accessibility offered by RFID technology, turn to Hornady Security®.

Simply place the included RFID wristband, key fob or decal over the safe's reader, and it opens immediately. Program up to five RFID tags for each safe. User can also program a four- to six-digit security code as a secondary entry method or use one of two circular barrel keys.

With models to secure handguns, rifles and shotguns, Hornady Security® RAPID® Safes are constructed of thick steel with hardened interior locking lugs and exceed ASTM International standards. Protect your safe from theft with the included 1500 lb. rated security cable.
