

FLOATING SWIM LEASHES

Our leashes for beaches program offers extra long floating swim leashes for your dog's safety, comfort, and enjoyment. We have selected stainless steel hardware that will not rust and the spring snap hook design will not clog up with sand.

- Leads are soft, flexible, and easy to grip
- “Stainless Steel” hardware sized to match leash
- Customized lengths are available, call in design
- Keep your dog safe and secure while swimming
