Rugged Rocker Camouflage Waterproof Bluetooth Speaker – Adventure-Ready Sound That Goes Anywhere!

Take your music where others fear to tread with the TUENS2GO Rugged Rocker Bluetooth Speaker – the ultimate waterproof, sandproof, shockproof, and snowproof companion for all your adventures. Whether you're hitting the beach, trekking through snow, or just lounging by the pool, this rugged speaker delivers 15W of powerful, crystal-clear sound while surviving whatever Mother Nature throws its way.

Built for the Wild:

- IPX7 Waterproof – Fully submersible and floats so that you can party in the pool or at the beach
- Adventure-Proof – Sandproof, shockproof, and snowproof for worry-free use anywhere
- 10W RMS Power – Dual 2” high-performance speakers pump out rich, balanced sound

Smart & Convenient Features:

- 30+ ft Bluetooth Range – Wirelessly stream from any device with a stable, clear connection
- 6-Hour Playtime – Rechargeable Li-polymer battery keeps the music going
- Hands-Free Calls – Built-in mic for easy, clear phone conversations
- Beach-Ready Camo Design – Stylish camouflage finish that's as tough as it looks

Perfect For:

- Beach trips & pool parties
- Camping & hiking adventures
- Snowboarding & winter sports
- Backyard BBQs & tailgates

Drop it. Dunk it. Take it anywhere – the Rugged Rocker keeps the beats coming!
