

## **Does my smartphone fit into the Universal Phone Case?**

Unless your smartphone exceeds the maximum dimensions of the particular (M: 153 x 70 mm / L: 165 x 80 mm) Universal Phone Case you selected, you'll be able to take the advantage of the SP Connect "twist to lock" mechanism. The fleece-lined insert and the pre-glued EVA frame allow you to find the perfect position for your smartphone.

## **My Phone Case is stuck in the locked position - how do I fix it?**

If you lock the mechanism of your Phone Case by accident, you can use the included Stand Tool to unlock it again.
