

TETON Sports Lifetime Warranty

TETON Sports strives to manufacture the best possible products for our customers. Our lifetime warranty covers products against defects in materials or workmanship, no matter where you purchased your TETON Sports product. This warranty is cheerfully extended to the original owner only and excludes normal wear and tear (e.g., zippers that wear out after extended use) or misuse. Please follow care instructions. If, after inspection of photos you send, a product is determined by us to be defective in workmanship or materials, we will repair or replace it at our option, at no cost to you (the original owner).

TETON Sports Warranty – Hydration Bladders

If you buy a TETON Sports hydration backpack, our lifetime warranty covers your backpack against defects in materials or workmanship for as long as you own it, per the warranty details in the paragraph above. The water reservoir, bite valve and drink tube are covered against defects in materials or workmanship for a one-year period after purchase. Please care for your hydration bladder properly per the instructions we provide. These things need love to keep performing for you.
