THERMOS®
BRAND

GENUINE
THERMOS[®]
BRAND

Thermos[®] products deliver what matters every time. As the leading manufacturer of convenient insulated products for over 100 years, Thermos is trusted by consumers to provide innovative portable containers that promote a safe and healthy lifestyle. Thermos delivers when it matters.

HOT MATTERS[™]

•

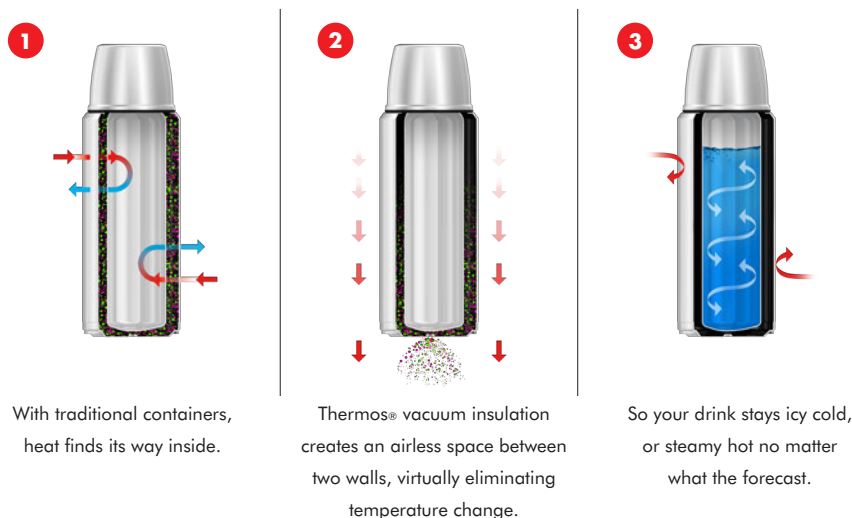

COLD MATTERS[™]

•

IT MATTERS[™]

TECHNOLOGY MATTERS

Thermos' vacuum insulation technology keeps hot things hot and cold things cold longer than ever.

QUALITY MATTERS

At Thermos, we carefully choose the best available materials, and produce products with consistent quality and reliable performance. We ensure the excellence of our products by testing for quality throughout the entire manufacturing process, and we stand behind them 100%.

LIVING GREEN MATTERS

Thermos created the original reusable bottle, and we've been green for over 100 years. We are continuously developing products that provide people who are on-the-go with more sustainable choices. By selecting a reusable Thermos brand product you can help reduce the amount of waste sent to landfills while enjoying the best performing products available.

GIVING BACK MATTERS

Thermos has teamed up with a number of nonprofit organizations that are in line with Thermos Brand's core mission and values.

SAFETY MATTERS

Thermos® products comply with applicable government and industry standards including CPSIA, to ensure that our products are safe.

Social responsibility matters to Thermos. Thermos complies with applicable laws and regulations in order to maintain a healthy and safe workplace. Employees' rights and privacy are protected and respected, while labor laws and other social compliance standards are followed. Thermos factories are subject to third party audits on an annual basis to ensure a compliant environment.
