

➤ Safety

Thule Strollers

WARNING:

- s1.** IMPORTANT - READ CAREFULLY AND KEEP FOR FUTURE REFERENCE. THE CHILD'S SAFETY MAY BE AFFECTED IF YOU DO NOT FOLLOW THESE INSTRUCTIONS.
- s2.** Secure the child in the harness at all times.
- s3.** Do not carry extra children or bags on this stroller.
- s4.** Never leave the child unattended.
- s5.** Ensure that all the locking devices are engaged before use.
- s6.** Do not let the child play with this product.
- s7.** Check that the pram body or seat unit or car seat attachment devices are correctly engaged before use.
- s8.** This product is not suitable for running or skating.
- s9.** Carrier shall be used only for up to the number of children for which it has been designed.
- s10.** Only use replacement parts supplied or approved by the manufacturer.
- s11.** Do not use any accessories or replacement parts that are not approved by Thule.
- s12.** Care must be taken when folding and unfolding this child carrier to prevent finger entrapment. To avoid injury ensure that the child is kept away when unfolding and folding this product.
- s13.** This child carrier will become unstable if the manufacturer's recommended load is exceeded.
- s14.** Always engage parking brake when placing and removing children.
- s15.** Do not allow any part of the child's body, clothing, shoe laces or toys to come in contact with moving parts.
- s16.** Do not use this child carrier around or near an open fire or exposed flame. Carelessness causes fire.
- s17.** Do not use this child carrier on stairs or escalators.
- s18.** Before each journey make sure that the wheels are securely locked in the carrier.
- s19.** Avoid serious injury from falling or sliding out. Always use the restraint system.
- s20.** This seat unit is not suitable for children under 6 months.
- s21.** Parcels or accessory items, or both, placed on the unit may cause the unit to become unstable. The product may become unstable if a parcel bag or parcel rack, other than one recommended by the manufacturer, is used. Only use Thule approved rack products. Unstable hazardous conditions may exist if package carrying accessories are added onto the product.
- s22.** Any load attached to the handlebar affects the stability of the child carrier.
- s23.** Do not install a car seat or any other seating device inside the trailer that has not been approved by Thule on this child carrier.
