DRIVE THEM WILD

Tink's® Buck Wild Pads are made to attract, featuring the most versatile lure system available. Preloaded with Tink's® Signature #69 Doe-In-Rut® formula, the Buck Wild pad is made to hang with an expandable band that will fit any hunting scenario.

PG 22

ROLL OUT THE FOG

Tink's® #69 Doe-In-Rut® Estrous Fogger provides 100% pure lure dispersal with our innovative bag-on-valve technology. When it's time, you control the charm with an integrated actuator system that allows short bursts or a lock-down setting for maximized attraction.

PG 5

NEW FOR 2019

MORE SCENT. MORE ATTRACTION.

Building on the Tink's® Gel Stream line, we now offer 5oz. Synthetics for season-long attraction. Tink's® Gel Streams feature 100% pure lure dispersal with our innovative Bag-On-Valve technology, a reactivating formula and a 10-foot-stream so you can stop them dead in their tracks.

Tink's® SCENT DELIVERY SYSTEMS

LIQUID

- The purest form of scent, ready to be dispensed with a wick, drag, dripper or straight from the bottle.
- Tink's® liquid scents are packaged in a dark bottle to preserve potency.
- All Tink's® liquid scent bottles fit the NEW Dial-A-Dripper dispenser, for controlled multi-day attraction.

GEL STREAM

- 100% pure scent with no propellant, Bag-In-Can wizardry means you get out every bit of scent we put in.
- Shoots 10-foot streams of scent-infused gel that stays active longer, won't wash away in rain and won't dry out in wind.
- Available in three classic Tink's® scents that hunters have trusted for over 40 years.

SPRAY MIST

- Quiet, consistent spray delivers a powerful, fine mist for long range attraction.
- 100% pure lure with no aerosol. Bag-In-Can system delivers the good stuff with zero contaminants.
- Advanced sprayer eliminates "spitting".

FOGGER

- Adjustable spray rate allows for scent dispersal in short bursts or lock down for maximized attraction.
- Fine mist for longer-range attraction.
- 100% pure lure with no propellant.

VAPOR

- Delivers scent-infused vapor with every puff.
- Long-lasting dispersal system for season-long attraction (Up to 400 puffs).
- Multi-use system allows E-Scent to be used as both a scent dispenser and wind indicator.

Tink's®

NATURAL LURES

Nothing beats natural. Using the very smells that drive deer wild, Tink's natural scent lures have earned hunters their biggest bucks, first bucks and bucks to remember for a lifetime. If it's worth hunting, hunters trust Tink's.
