

# TRUGLO®

## BOW JACK FOLDING BOW STAND

- Compact and lightweight.
- Easily fits in your quiver or pocket.
- Rubber jaws provide a non-slip fit.
- Integrated finger tabs for easy one-hand operation.
- Snag-free hidden spring design.
- Fits most bows.

### For Quick and Easy Use:

1. Position the bow stand near the limb pocket (away from the cam).
2. Be sure the bow balances by itself before letting it go.
3. Remove the bow stand before shooting.

**TRUGLO®**  
WHEN BRIGHTNESS COUNTS™

Use 2 Bow Jacks to support most crossbows, or a Bow Jack paired with a Bow Jack Mini to hold your bow with the cam off the ground!

Bow Jack Mini Wide Model features extended width grippers to hold Mathews® HALON™ and other wide limb bows.
