## Pet Feeding System

### Engineered Resin Pet Feeding Bowls (Double and Single Highs)

## Cleaning Instructions

1. Wash bowls, mat and stand with a mild dish soap. Rinse and dry well. Bowls can also be washed in a dishwasher. Clean bowls and mat often.
2. Place stand back onto the mat.
3. Insert bowls into the stand.
4. Position the flat edge of the mat against a wall to prevent shifting.

**Disclaimer: Do not microwave bowls.**
